## OTHER ARTISTIC ACTIVITIES

2004–2005 Virtual installations at the University of Technology, Otaniemi, Espoo, with Wille Mäkelä, researcher.  
The installations are painted with free hand into the air in a virtual environment with software being developed during the research project. To look at the installation one needs a real-time camera location in a special observation corner formed by stereoscopic walls.

1991 Tour of Czechoslovakia with the band Swinging C

1990–91 Participation in the making of Radio Block at the Radio Aligre in Paris, an experimental electro-acoustic radio-program based on voices, noises and music.
